

Ribbon Cutting Business Summary

Congratulations on the opening of your business in Prosper! We are excited to have you as part of the Prosper Chamber of Commerce and part of the dynamic business community of our growing town! The Prosper Chamber of Commerce would like to help spread the word about the opening of your business by providing a ribbon cutting. This ribbon cutting can be scheduled at almost any time. Please contact one of the Chamber Board Members to schedule a time.

As part of the ribbon cutting, we will include a highlight piece in the Prosper Press. To allow us to put together this highlight piece about your business, please answer the following questions and return them to one of the Prosper Chamber of Commerce Ambassadors at your ribbon cutting ceremony. After your ceremony, we will highlight your business with a picture and summary in the Prosper Press. We will also include this summary in our Prosper Chamber of Commerce Local Business Library. Please feel free to elaborate further on additional pages if there is not enough space allotted. You may also include any photos you have of your business and we will attempt to include them in your article. Again, Congratulations on the opening of your business and Welcome to Prosper!
